**Re: Joint Application of Duke Energy Carolinas, LLC and Duke Energy Progress,
LLC for Approval of Electric Vehicle Supply Equipment Program
Docket No. 2022-158-E**

Dear Ms. Boyd:

In accordance with the May 20, 2022 letter filed by the South Carolina Office of Regulatory Staff (“ORS”) and Order No. 2022-401 issued by the Public Service Commission of South Carolina (the “Commission”) on June 1, 2022, Duke Energy Carolinas, LLC and Duke Energy Progress, LLC (collectively, the “Companies”) hereby submit a proposed Notice of Filing for the Commission’s consideration.

As set forth in ORS’s May 20 letter, the Companies intend to publish notice of this proceeding via newspaper and their websites rather than via mailing or bill inserts at this time. Should testimony deadlines and a hearing become necessary, the Companies anticipate that an additional notice would need to be issued and furnished to customers at a later date.

By copy of this letter, I am serving all parties of record.

Sincerely,

Katie M. Brown

Enclosure

NOTICE OF FILING

Joint Application of Duke Energy Carolinas, LLC and Duke Energy Progress, LLC for Approval of Electric Vehicle Supply Equipment Program

Docket No. 2022-158-E

Why is this Notice Important?

- The Public Service Commission watches over businesses that provide necessary services for day-to-day life, such as the electricity provided by Duke Energy Carolinas, LLC and Duke Energy Progress, LLC (the Companies).
- The Public Service Commission decides what rates a utility can charge and approves regulated programs and services the Companies are allowed to offer customers.
- This Notice is for electric customers of Duke Energy Carolinas, LLC and Duke Energy Progress, LLC, and interested persons.
- The Commission will review the Companies' proposed Electric Vehicle Supply Equipment (EVSE) Program, during this case.
- The EVSE Program is a charger "rental" program that will allow residential and nonresidential customers to select an electric vehicle charger to be installed for a flat amount each month and will make this type of equipment more easily accessible to customers.
- The rates proposed for the EVSE Program include equipment, maintenance and annual software networking fees
- The Case was filed according to S.C. Code Ann. Section 58-27-820 and S.C. Code Ann. Regs. 103-823.
